Dear Mr. <sup>Theo</sup>Michael,

I would like to thank you as well as the organizers and participants of the 2002 World Cup of Ball Hockey for your gift to The Montreal Children's Hospital Foundation. This generous contribution will have a lasting impact on our young patients and their families.

In showing how much you care, you have helped to brighten the future of many sick children. Your kindness will never be forgotten; life-saving equipment purchased with your donation will long remain as a symbol of your generosity.

On behalf of our young patients and their families, please accept our thanks for thinking of The Children's.

Sincerely yours,

*Valerie*
